1. The beginning has begun; the understatement of the century. History, repeats itself? Or does one repeater repeat the sins of forefathers, not; nor of happenstance is, not? Or of fate not chancing success at chances failed, foiled, or foilex'ing the foilers, for believe me now, saith the lord of God, host, of the universe, of unfolding times, timeless, -ness now prevails, to reveal all things Godly'un, and revealing all things Godly'un, revealeth all things Godly left? Or right, on, even; or what manner talketh like this God'eth no one, not; or what can be the meaning of so much garbage, not; but what manner talks in riddles not opportunities or both, and who can punctuate not the beginning of me but the end? Punctuateth not thou thy blessinghood, so many, with condemnations not me of. And condemning there your brethren's brethren? Or your brethren real? And what family you from are, now knowing it, God is one family. Among many brethren. Now go to them. Reveal not arm's flesh but MY arm, love is. BE love to them, with them, for MY sake; not yours. Or one is, now knowing it. Ted leads in flesh, not; spirit all who want spirit be spirit mine me alone.
